► 1 Floral Garden

Inspired by the design principles of a traditional Japanese garden, this Garden features elements such as rocks, bamboo, and ornamental trees, woven within tranquil landscapes. As its name suggests, it also displays a wide array of flowers, including **Heliconia** (*Heliconia* spp.) and **Frangipani** (*Plumeria* spp.) cultivars.

Species such as the **Striped Albatross Butterfly** (*Appias libythea*) and the **Asian Honey Bee** (*Apis cerana*) contribute to pollination, sustaining plant life and enhancing the garden's ecological balance.

► 2 Sunken Garden

Fully immerse yourself in your surroundings by experiencing not only the musical tones of water but also the beauty of specially curated moisture-loving plants (Bryophytes and Pteridophytes)

► 3 Resthouse

The Resthouse blends traditional Japanese architecture with modern sustainability, is a popular gathering spot which offers stunning views of the Japanese Garden pond on one side and the Freshwater Forest and Jurong Lake on the other.

► 4 Breathing Gallery

See how artistry and horticulture blend harmoniously through a variety of terrariums, paludariums, and aquariums, curated within this immersive space.

Open from 9 am to 9 pm, Tue to Sun*

*Closed on Mon for maintenance
(If a public holiday falls on Mon, it will close on Tue instead)

► 5 Water Lily Pavilion & Water Lily Garden

Discover Singapore's largest water lily collection here, with over 150 varieties showcased in terraced ponds, including day- and night-blooming varieties as well as the largest and smallest members of the water lily family.

Listen out for the **Dark-sided Chorus Frog's** (*Microhyla heymonsi*) croaky call among the **Water Lilies** (*Nymphaea* spp.).

► 6 Guesthouse

Check out the Guesthouse with its adjacent Guest Pavilion overlooking a scenic and tranquil reflective pool and Teahouse.

The Guesthouse can accommodate up to 500 people, ideal for your joyous and memorable occasions.

► 7 Teahouse

The Teahouse is a serene hilltop venue available for private hire, offering visitors the opportunity to host their own tea ceremonies and events.

Spot the **Chestnut Bob Butterfly** (*Iambrix salsala*) resting atop a leaf, the elusive **Red-legged Crane** (*Rallina fasciata*) scuttling across the bushes, or the **Sunda Pygmy Woodpecker** (*Yungipicus moluccensis*) drumming softly at a tree.
